All I can stay is stunning. The grounds are magnificent, the food was delicious, the drinks were flowing. The service we received from the team, along with all the waiting staff was out of this world. Would

highly recommend

*Mark & Steve*

You are one in a million. I know you do a lot of weddings and functions, but I don't think that would be as successful if it wasn't for you and an amazing team at Lew Hoad. People still say best wedding they have been to.

*Jenna & David*

Everything was perfect, and all the guests were very impressed of the arrangement in beautiful environment and with very good food. If we hear about any other Norwegians that will be married in Costa del sol, we will gladly recommend Lew Hoad!

*Bernhard & Magdelen*

We got married at the start of June at Lew Hoad and what a venue this is! Our guests were amazed as soon as they came through the entrance. They made our process very easy and stayed for majority of the day in our wedding day so everything fell into place and we was running on time.

*Adam & Abbie*

What a place with quality, honest and professional staff. Attention to detail at whatever they're doing is second to none.

*David & Laura*

We had an amazing experience and loved every second of it. Not just us, but all our loved ones as well. The whole experience at Lew Hoad was amazing. Everything from the staff that worked there, food, atmosphere and all the little details that made it even more special.

*Christoffer & Jeanett*

We had the most amazing day and everyone absolutely loved the venue. The food was amazing, everything cooked to perfection, the decoration of the room, the flowers and all the attention to detail even in the toilets.

*Graham & Michelle*

We had the most amazing day from start to finish. Every single member of staff was so attentive, professional and could not have done enough for us to ensure we had everything we needed and wanted. The venue was beautiful! The food was incredible and impeccably presented.
